RESOURCE HUB

PARENT SUPPORT COMMUNITY

PCN helped us transform parent engagement from isolated events into year long partnerships

– School Leader

Why Schools Choose PCN?

Parent Community Network (PCN) helps schools move beyond one-way communication by creating a structured engagement model that actively involves parents in their children's learning and development.

What Schools receive:

- Annual Parent Engagement Roadmap
- CBSE Parenting Calendar Aligned implementation support
- Expert led parenting workshops
- Digital resources
- Access to parenting community
- Feedback and impact mechanism

Ready to build stronger school parent partnership?

Book a meeting to explore how PCN can support your school's parent engagement strategy

CURRICULUM FOR CONSCIOUS LIVING

Building Conscious Educators
Creating Future-Ready Schools.

CCL is a structured educator development programme that strengthens the individual behind the professional role. It equips educators with self-awareness, reflective practices, and practical tools for conscious living.

WHY CCL MATTERS

Aligned with **NEP 2020** and the **CBSE CPD** framework, CCL supports educators' wellbeing, professional growth, and emotional readiness for today's classrooms.

CCL FOCUSES ON

SELF-AWARENESS

Reflective practices for personal and professional clarity

EMOTIONAL WELLBEING

Tools for balance, regulation, and resilience

CONSCIOUS CLASSROOMS

Building healthier relationships and classroom culture

CORE LIFE PILLARS

Time | Money
Relationships | Health

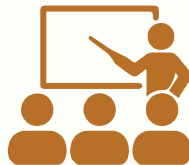

Every transformation begins with awareness.

MEASURABLE IMPACT. LASTING CHANGE.

IMPACT ON EDUCATORS

- Greater self-awareness
- Better emotional regulation
- Improved communication
- Better work-life balance

IMPACT ON CLASSROOMS

- Positive classroom climate
- Stronger student relationships
- Better collaboration
- Improved student engagement

IMPACT ON SCHOOL LEADERSHIP

- Stronger school culture
- Better teamwork
- Reduced burnout
- Improved staff retention

Ready**

As per latest
circulars

➤ The **VUCA** Learning Journey ➤

The **Delete – Heal – Install** approach helps children replace unhelpful thoughts with positive beliefs through reassurance, encouragement, and simple affirmations. These examples support teachers and parents in nurturing confidence, resilience, and healthy social-emotional development during everyday interactions.

➤ Continuum Impact - Age / Grade wise ➤

Behavioural Impact Matrix Across Age Groups and Grade Levels									
Grades I and Class VII	Grades ECC – II (2 - 8 Years)			Grades III - V (9 - 11 Years)			Grades VI - XII (12 - 18 Years)		
	Behaviour / Traits	Reduction	Enhancement	Behaviour / Traits	Reduction	Enhancement	Behaviour / Traits	Reduction	Enhancement
	Fears	✓		Tantrums	✓		Conscious Living		✓
	Eating Healthy		✓	Anxiety	✓		Gratitude		✓
	Attention Span		✓	Listening		✓	Instant Gratification	✓	
	Reading Skills Development		✓	Time Management		✓	Good Hygiene		✓
	Being Independent		✓	Self-Awareness		✓	Self- Discipline		✓
	Social Skills Development		✓	Team Work		✓	Emotional Quotient		✓
	Peer Interaction		✓	Creativity & Innovation		✓	Understanding Relationships		✓
	Verbal Communication Development		✓	Screen Time	✓		Personal Safety		✓
	Curiosity		✓	Attention Seeking	✓		Growth Mind-Set		✓

Why Schools Choose **VUCA**
